Angelic Drives Golf Project To WGA

San Diego, California – Angelic Pictures, Inc. announces the completion of “Parfection – The Golf Movie” treatment and screenplay. The executives are in the midst of developing the live action motion picture. The comedy screenplay penned by Mike Terrell has been registered at the Writer’s Guild of America (WGA).

To be shot and produced this August in San Diego, “Parfection” revolves around two college friends hustling golf and trying to launch their own business. Losing an extreme bet they must play the golf game of their lives to save their future, regain their dignity, win back the girls of their dreams, and become the men they were meant to be all along.

The WGA Screenplay and Treatment conform to the guild standards. In June of 2005 Angelic Pictures qualified as a WGA Signatory and have remained in good standing ever since.

“Parfection” is the first screenplay in a series of Style & Attitude films to be produced over the next couple year by Angelic Pictures. The contemporary features will use targeted themes to present the upcoming generation of young adults in San Diego. Utilizing a progressive business model, Angelic sees these films as an ideal platform for product integration from sponsor corporations. Angelic wishes to showcase its hometown, the attractions, restaurants, nightlife and companies located there to a national audience of 18-34 year olds. The scripts created for this series will reflect the attitude, energy and culture of this generation.
